- HD Window™ POP with Split Screen and 12 MultiWindows
- Tri-Lingual Color Icon On-Screen Display
- Off/Sleep Timer
- Split Cabinet Design

## ADVANTAGE TOSHIBA

- >> CableClear™ DNR+ by Input optimizes signals from RF, Composite and S-Video connections by eliminating video noise and automatically adjusting sharpness.
- >> Day/Night Mode sets the television for optimum viewing in any room environment. The Day/Night Mode will set the television to full brightness for daytime viewing in rooms with ambient room light. The Night mode is ideal for dark rooms by reducing brightness to create the ideal picture for this environment. The Day Mode is used in full brightness for daytime viewing in rooms with ambient room light.
- >> SRS® WOW technology takes the performance of the television's existing speakers to a whole new level to offer the consumer superior sound quality with no additional speakers required.
- >> 4-Item Illuminated Universal Remote with DVD Control allows for easy operation in a dark living room or home theater environment.
- >> Direct Video Input Selection allows the user to directly select from the remote's numbered keypad without scrolling through all the inputs.

# TOSHIBA

## SPECIFICATIONS

VIDEO	Screen Size	57" Diagonal
	CRTs	PowerFocus HD
	Lens System	PowerFocus HC
	TouchFocus <sup>®</sup> auto digital convergence	X
